### The French Local Government Funding Agency

## STATUTES AND MISSION

Authorised by the banking law dated 26 July of 2013 and incorporated on 17 December 2013, Agence France Locale (AFL) has been recognized as a Public Development Credit Institution in March 2021.

100% owned by Local authorities AFL is 100%-owned by French Local Authorities and aims to provide cost effective funding for their members. This is achieved by accessing the capital markets to raise financing for the Authorities' combined requirements.

LGFA model This model has already proved successful in various Northern European countries (Local Government Funding Authorities - LGFAs).

#### ASSET CREDIT QUALITY

Only French Local authorities (including local governments, groupings and public local entities) are allowed to join AFL by law:

- They may only borrow funds in order to finance their investments.
- All capital repayments must come from their own resources
- They cannot vote or run a budget deficit.
- They cannot go bankrupt or undergo liquidation proceedings.

AFL only provides vanilla loans to its members: structured products are prohibited.

#### STRUCTURE AND GOVERNANCE

By law, the Agence France Locale Group governance is based on a dual structure:

- Agence France Locale ST: fully-owned by member local authorities, it is the holding company which sets the strategic guidelines, appoints the directors of AFL and manages the guarantee mechanism.
- AFL (AA- (stable) by S&P and AA-(negative) by Fitch): a credit institution which raises funds in capital markets and distributes vanilla amortizing loans to local authorities.

Any financially sound French Local Authority may join AFL. Every new member has to subscribe to the capital of Agence France Locale - ST and pays in a contribution based on its total outstanding debt at the date of joining.

#### **GUARANTEE STRUCTURE**

Unconditional, explicit, joint and several

Financial creditors benefit from a dual first call guarantee system

- Members Guarantee: independent and individual first call guarantee undertakings made by each member: Each member local authority acts as debt guarantor up to the amount of its outstanding borrowings (principal, interest and incidentals) received from AFL. Members that are called by debt holders have an immediate recourse to the other members so as to ensure a solidarity among all members.
- ST Guarantee: independent first call guarantee undertaking provided by Société Territoriale (ST).
